Subpart D—Oil, Gas, and Sulfur, Offshore [Reserved]

Subpart E—Solid Minerals, General

§ 216.200 [Reserved]

§ 216.201 Mine Information Report.

The Mine Information Form (Form MMS-4050) must be filed for each mine that includes Federal or Indian leases in its approved mining plan. The completed form must be filed by the operator of the mine/lease(s). Form MMS-4050 must be filed at the request of the MMS initially during the conversion of the mine/lease(s) to the PAAS.

§ 216.202 Facility and Measurement Information Form.

The Facility and Measurement Information Form (Form MMS-4051) must be filed for each facility or measurement device which handles solid mineral production from any Federal or Indian lease, or federally approved agreement, through the point of first sale or the point of royalty computation, whichever is applicable. The completed form must be filed by the operator of the facility or measurement device. Form MMS-4051 must be filed initially at the request of the MMS during the conversion of facility and measurement device operators to the PAAS. Subsequent to conversion, Form MMS-4051 must be filed with MMS/RMP no later than 30 days after establishment of a new facility or measurement device, or a change to any existing facility or measurement device that handles production attributable to any Federal or Indian lease, or federally approved agreement, through the point of first sale or royalty computation, whichever is applicable.

§ 216.203 Solid Minerals Operations Report.

The Solid Minerals Operation Report (Form MMS-4059) must be submitted by all Federal and Indian lease operators of producing mines that are part of an approved mine plan. Form MMS-4059 must be filed for the same period established for payment for royalties in the lease terms, unless a different reporting frequency is established by an MMS authorized official, and on or before the 15th day of the second month following the period being reported until all the leases within a mine are terminated or until omission of the report is authorized by the MMS.

§ 216.204 Solid Minerals Facility Report.

The Solid Minerals Facility Report (Form MMS-4060) must be filed by operators of secondary processing facilities that handle production attributable to Federal or Indian leases where royalty is determined after processing. The report period is monthly, unless a longer period is specified in the lease document, or otherwise approved by the MMS. The Form MMS-
